

July 2008 updates to CS MILLENNIUM

The program has been updated to comply with the changes to the Washington State Child Support Schedule promulgated on June 12, 2008.

New data fields have been added or modified to comply .

Client Info Data Screen now looks like this:

In light of the changes, it is important to use at a minimum the First and Last name when adding or editing these fields

Custody, Whole Family and Overnight fields now use parties' first names rather than "mother" and "father," like this:
